# Welcome to the 2026 Florida Spring Training Season!

## **A New Spin on Florida Spring Training Games in 2026**

Florida Spring Training, where hope springs eternal for all baseball fans.

Everyone is in first place. The promising young talent is hitting the field for the first time in front of new fans. The new players attained through off-season deals are wearing their new uniforms for the first time.

Besides the annual rites of spring that baseball fans annually enjoy, there's a few other nuances worked into the 2026 Florida Grapefruit League schedule.

After a week and a half of regular games between Major League teams, the big leaguers will hit the field against National teams preparing to play in the 2026 World Baseball Classic.

On March 3-4, look for games against eight teams in the 20-team field. MLB teams and National teams from Puerto Rico, Venezuela, Columbia, Nicaragua, Panama, Israel, Canada and The Netherlands will play.

The games in Florida will be a tune up for the pool play games in San Juan, Tokyo, Houston and Miami. The Semifinals and Championship Game will be played in Miami's loanDepot Park, March 15-17.

As the month of March progresses and the season is winding down, Spring Breakout Games return, for a second season, March 20-21. Stars of the Future for all 15 Florida Grapefruit League will showcase their talents against one another.

Many of the players who were standouts during the Spring Breakout Games in 2025 made significant contributions in the regular season and post-season.

Trey Yesavage made his unofficial Toronto Blue Jays debut in a March 15 Spring Breakout Game. He worked his way through the minor leagues and became household name among baseball fans, striking out 12 Los Angeles Dodgers through seven innings in the 2025 World Series.

Also turning heads in 2025 Spring Breakout Games, who ended up in starting lineups in the regular season were Roman Anthony, of the Boston Red Sox and the Pittsburgh Pirates Bubba Chandler.
